Aircraft Maintenance & Supplies

*WJA – PT. Wira Jasa Angkasa is a wholly owned subsidiary company of PT. Ekspres Transportasi Antarbenua, firmly known as Premiair, established in 2012 with experienced and selected people ready to cater our customers through specific services in Aircraft Maintenance and Supplies.*

Located at Halim Perdana Kusuma Airport Jakarta, WJA offers a far range of facilities and services. Starts with an 8,000 sqm of Hangar build in 2011 with a high quality construction and premium choice of building materials and can accommodate usage for narrow to wide body single aisle aircraft storage, Aircraft Maintenance Service Embraer Legacy 600 PK Registered (Indonesian), Aircraft parts and components, Battery shop, Wheel shop, FDR and CVR read out. The list is developing any time soon.

WJA main customer is Premiair who own diverse model and type of aircraft. Gradually WJA is expanding its aircraft maintenance services to serve more external customers with lines of aircraft from different manufacture.

In 2014, WJA starts its maintenance services capability for PK Registered Embraer Legacy 600 and Phenom 300 aircraft. By quarter one 2014, WJA own its Battery shop, Wheel shop, FDR and CVR read out facilities completed and ready to cater its customer. Within the year WJA officially runs its parts supplies provider service.

WJA currently offers:

1. Hangar Space for Aircraft storage based on dedicated or ad hoc basis.
2. Aircraft Ground Support Equipment rental
3. Office Space for rental at Halim Perdana Kusuma Airport, Jakarta.
4. Battery Shop
5. Wheel Shop
6. FDR and CVR read-out
7. Manpower or Engineer Technical Services
